LOCKER AND SHELVING SOLUTIONS

**mohm**  
LOCKER AND SHELVING SOLUTIONS

# MULTI M Group Profile

Founded in 1974, Multi M Group has continued to develop and grow the business to become one of Egypt's leading industrial companies in the region. Using the latest technology in its manufacturing process and utilizing the experience of its international joint venture partners, the Group continues to strengthen its presence on both the local and international markets through product innovation.

Working in accordance to strict international codes, ethics, standards and practices, the Group is ISO 9001 and 14001 listed. With nine factories, over 1,000 employees and using the latest production technology, operations today include the manufacturing of:

- Furniture for households, offices, schools, universities, banks, sport centers, etc.
- Industrial steel systems for shelving, platforms, staircase, etc.
- Electrofused bar grating for walkways, platforms, etc.
- Vehicle seating for cars, trucks and buses to the major manufacturers in Egypt (incl. Mercedes, KIA, etc.)

# Personal Lockers

MOHM as part of the Multi M Group, prides itself on the vast range of lockers manufactured, each designed to suit the individual needs of the specific market. Produced in both steel and wood, each product range is manufactured using the latest advanced technology and in strict accordance to international specifications, ensuring; efficiency, accuracy, consistency and ultimate quality.
