

Chairs

A range of executive chairs of incontestable comfort and elegance.

Chairs

in a series of colors and styles to satisfy every predilection, offering the flawless last touch to complete executive workspaces.

EXECUTIVE

CONTESSA

This Ergonomic chair is extraordinarily comfortable due to its “smart operation”. Which responds and adapts to your posture.

Lumbar support gives your back comfortable support. You can adjust the lumbar support backward and forward up to 15mm, up and down up to 60 mm.

A lever positioned underneath seat for easy reach enabling you to easily slide the seat backward or forward up to 50mm.

The left armrest lever adjusts reclining angle. you can choose either free rocking or your favorite angle (in five positions)

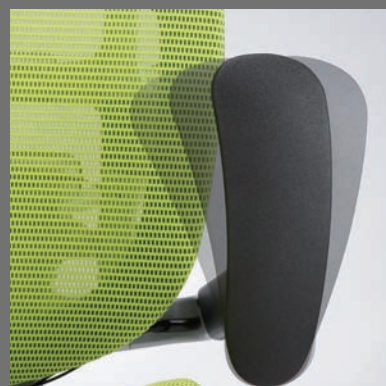

okamura

you can precisely set the headrest up and down as well as forward and backward to fit your favorite position.

You can easily adjust the ratchet-style armrest up to 100mm while sitting.

You can adjust the arm pads up to 30° (20° inward and 10° outward) to give you comfortable elbow support when using a computer or doing other tasks.

The chair rolls on large-diameter 75mm castors to minimize resistance when moving while seated and reduces strain on the lower back.

BETA
