Nikolas Chachamis

The harmony of curves.
The unique Rondo series
designed to cater for a variety
of scales and to address the
requirements of modern offices.

A full-range line comprises
of fixed and mobile chairs
for executives, managers,
operators and visitors.

Mohm adopts some very unique design concepts whereas the most distinctive lines are still harmonious.

Casual meetings are overlooked although proven to increase work efficiency and consume less time. Chai meeting table and Rondo chairs make an impeccable setup for casual and swift meetings.

Customize your Rondo Bench according to your needs and visitors flow. Seats can be replaced with fixed trays for hospitality purposes.

Technical descriptions

Shell
It has three different heights made of polyurethane injected foam and sponge. The chair is upholstered in leather or fabric.

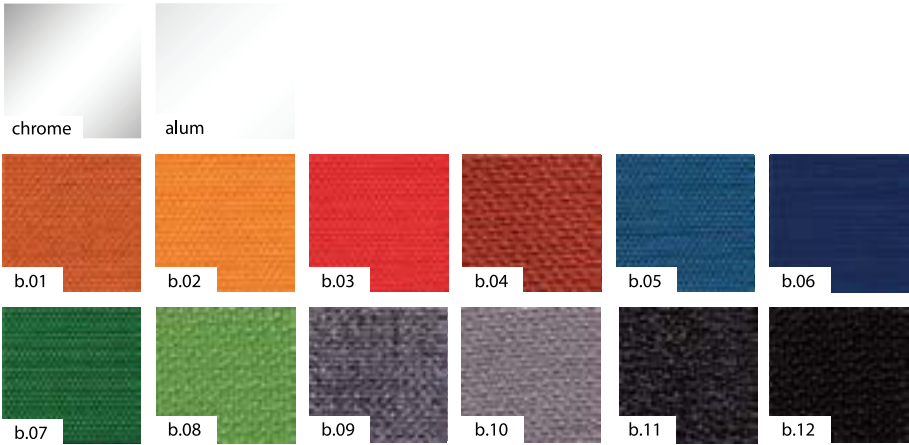

Star base
Is made of aluminum die casting of western European origin. Five star base is on wheels & four star base is on rubber glides for floor protection. The chair has a hydraulic height adjustment Italian mechanism. And the one on wheels is equipped with Italian tilting mechanism that can be regulated and locked.

Waiting chairs base
Is made of nickel chromed tubes, with plastic glides for floor protection.

Bench
The bench is produced as 3 seats or 4 seats, with the possibility of having a 50 cm round wooden table top. Legs are nickel chromed with feet that can be regulated up to 1 cm.
